FOR THE LORD YOUR

WHEREVER YOU GO. JOSHUA 1:9

- ✝ Share with your parents, how you experience God’s presence?
- ✝ Ask your parents what the Holy Spirit spoke to them about in the message today?

After Robert Morgan’s father passed, his mother struggled pitifully with loneliness. There was little anyone could do for it. Her rambling mountain house seemed desolate, haunted with memories of a vanished hand and a silenced voice. But she was a sturdy woman with an unusual streak of determination and as time passed, she began to discover some of the benefits of living alone, such as God’s presence.

She later told Robert, “I’ve adjusted nicely to single life, for I’ve never been so sure I’m not alone. The Lord and I talk together all day. When I wake up in the morning, He’s waiting to greet me and when I go to bed at night, He stays up and stands guard.

Though she was a lifelong Christian, her latter years were marked by renewed love for God’s Word, busy ministering to others, a deepened prayer life and accelerated growth in praise and worship.

† Has there been a time in your life when God’s presence seemed very real?
